

**FACT FILE**  
**Interior designer** Tonka Andjelkovic (Tonka Andjelkovic Design). **Builder** Platinum Construction & Consulting. **Joinery** Van & Son Detail Joinery, using black-stained European oak timber veneer. **Wall finish** Bisazza Vienna Nero glass mosaic tiles from Pazotti Tiles + Stone. **Bath** Lotus from Rogerseller. **Basins** Lotus from Rogerseller. **Showerhead** Grohe classic (wall mounted) on 600mm rail from Cass Brothers. **Tapware** Vola wall-mounted tap handles (shower and bath) and floor-mounted bath spout from Cass Brothers; Boffi Disco wall-mounted tap systems (basin) from Aquaform. **Mirrors** Matt black framed and custom made by Charles Hewitt Gallery & Framing Showroom. **Lighting** Talo Parete Halo wall lights (above vanity mirrors) from Artemide; recessed downlights from Erco Lighting. **Flooring** Honed black granite tiles from S & N Bros. For stockists see Address Book.

# GRAPHIC IMPACT

A distinctive bathtub and basins in organic shapes heighten the dramatic effect of black and white grid-patterned tiling.

**INTERIOR DESIGNER**  
**TONKA ANDJELKOVIC**  
 "The design intent was to create a contemporary bathroom with layers of black and white using graphic and geometric elements. Texture was added to the space by using black and white glass mosaic tiles in a 'Vienna' pattern, which also contrast perfectly with the honed black granite floor."
